Press Release

This year the Orange County Wheelmen, an Orange County Bicycle Club, will be holding their 27th Annual Ride Around the Bear Century. This ride attracts riders from the entire Southern California area. Always a challenging ride for those 400 cyclists that want to test their endurance with over 9000 feet of elevation gain in 106 miles. This ride starts in Sylvan Park, Redlands, and typically proceeds up the mountain by way of route 330. Due to the disruption on Route 330, the course will be re-routed this year, up Route 18 and along Rim of the World, through Arrowhead Highlands, and into Running Springs, then on to Big Bear Lake, North Shore to Fawnskin. Lunch will be at Dana Park where we will then continue on 38 to Greenway then on over to Big Bear Blvd to Greenspot, where it is up, up, up to Onyx Summit, then 40 miles back down the hill to Redlands.

Please keep an eye out for us as we look forward to another great day at our "Ride Around the Bear."
